The numerous friends and acquaintances of Capt. Carlos Ortiz Salazar will learn with pleasure of this talented young man's appointment as master of the fleet. Few of our talented young officers have more justly risen to distinction in the National Marine Corps. He has steadily risen steadily by dint of honest hard work; and we look forward confidently to his achieving fresh honors in the future.

IMPORTANT
 TO SHEEP-FARMERS!!!
THORNCLEIFF
SHEEP DIP

ACARICIDE
 TRADE MARK
 We the undersigned, having been test-
 imony to having witnessed the dipping
 trials made with the above dip of two
 flocks of sheep badly infested with scab,
 Mr. Francisco H. Hetherington, "San
 Margarita" (Capitán Sarmento F. C. A.),
 on the dates of May 21st and June 19th
 1929.

The dip was mixed in the proportions
 of one part of dip to four parts of cold
 water. The sheep and lambs were
 washed through the bath, and we noted
 that not one single case of poisoning
 occurred, nor were the sheep uneasy
 afterwards, proving that the dip contains
 no poisonous or burning properties.
 At the end of June we took to having
 examined these sheep and found them
 absolutely cured of scab with
 only one dipping.

We are very confident in recommending the
 "THORNCLEIFF SHEEP DIP" as one
 of the safest and most effective dips
 that has ever come under our notice.
